SUMMARY

I am enrolled in a study program, building strong foundations in Python, SQL, CSS, and HTML. I also have good basics in C-Sharp and C++, as well as familiarity with the (.NET Framework). This makes me a strong candidate for starting a career as a developer.

SKILLS

Languages: Python(90%), C-Sharp(90%), C++(80%), SQL(80%), HTML(10%), CSS(10%).

Technologies: GitHub/Git, Django(20%), Flask(10%), Linq(90%), React(10%).

Frameworks: (.NET).

PROJECTS

C-Sharp, SQL, (.NET framework), Linq

StockCounter https://github.com/The-Robby/StockCounter
I have created a Stock-Counting application for my current job. Sometimes, we encounter shortages, and therefore, I created this app to assist me alongside my colleagues.

Python, SQL, CSS, HTML, Flask

End-Year Project (still in development)
For this year's class, we are to develop a webshop using Python, SQL, Flask, etc. So, this is still in development.

Python, PySimpleGUI

MonthlyPaymentsCalc https://github.com/The-Robby/MonthlyPaymentCalc
Made this app to track every motnhly, quarterly and yearly payments (Subscriptions, taxes, insurance etc...)

C-Sharp, (.NET framework)

Logger https://github.com/The-Robby/Logger
This is an app where we'd fill in what we did and when, so if there were an error in the future, we could find what went wrong.

C-Sharp, (.NET framework)

Hour Calculator https://github.com/The-Robby/WorkDayCalc
This was my first app that I built, which calculates the time left for various tasks, etc. This was also my first fully developed app used by me and my colleagues.

EDUCATION

2023 - Now

Python Developer Syntra AB-Leuven
Enrolled in this program. Strong foundations in Python, SQL, CSS, HTML and Flask. Ready to begin as a Full-Stack developer.

2020 - 2021

Bachelor - Game Development Howest DAE
Solid foundation in C++ and Back-End development.

2023 - 2023

Certificates - Self study LinkedIn Learning
Recipient of multiple LinkedIn Certificates showcasing continuous learning and skills development.

EXPERIENCE

01/2022 – 01/2024 **Quality Adviser** Materialise
